The Dg's proposal is not quite clear. It is made out from the above order & the Dg's letter that these Gumastas now hold progressive posts rising from Rs 7 to Rs 12 and Bhattacha ~~that~~ states that the present incumbents ^{now} get less than Rs 10 & accordingly recommends that their pay may be raised to Rs 10. Whether the pay to ^{be} raised sh^d stop at Rs 10 or sh^d rise to Rs 12, is an important point to which there is no allusion either in Mr Bhattacha's letter or in the above order. If it is intended that the pay of these Gumastas sh^d hereafter be fixed at Rs 10 instead of rising from Rs 7 to Rs 10, there is no financial objection to such proposal; but it sh^d be distinctly laid down that there sh^d be no claim to the excess over Rs 10 which under the present arrangements they can get. It is however doubtful

if that is the intention of the Govt,
the proposal is not quite
acceptable financially as the
analogy of Schoolmasters on
less than Rs 10 → no argument
for granting in advance some
increments attached to
the appointments held by
these Gymmasters who
will get more than Rs 10,
but only after certain years
No hardship is involved
in this arrangement & as
for the rate of pay which
these officers are now getting
being insufficient owing
to the prevailing distress, that
is hardly a reason for
recommending a permanent
alteration of the scale of
pay Besides these officers
get along with others the
benefit of the grain
compensation allowance

virtually comes to this, - that

on Rs 10 and get an increment
of one rupee per annum till
the maximum pay of Rs 12 is
reached -

words of explanation, as this recom-

to say that the reason for fixing
the minimum pay of these Depy

different

Different from that which attaches a progressive scale to the appointment - The former is personal & refers to the necessities of life to persons of the class who alone would be fit for a Dyfurnastai's place under the Depy & Asst Inspectors of schools. It has its analogy and justification in the status of school masters whose pay has recently been fixed at a minimum of Rs 10 - On the other hand, the reason for attaching a progressive scale of pay to the appointment is based on considerations of the somewhat technical character of work in the Depy & Asst Inspectors' offices, & of the advantage of retaining men in it as they grow in knowledge & experience of the work. I fail to see the bearing of the former on the latter, nor any advantage in connecting the two together, except perhaps the purely

Maintaining an unaltered
Average in cost - But, as
this will be prejudicial to the
interests of efficient service,
I have preferred to recommend
that the minimum be
raised without touching the
progressiveness of the scale -

With reference to the recent orders of Government raising the pay of village school masters to a minimum of Rs 10 per mensem, the Inspector General of Education has brought to notice that there are at present 12 Deputy Gunastas in the offices of the Deputy and Assistant Deputy Inspectors of Schools, in receipt of a salary of less than Rs 10 a month, their present pay being Rs 7-1-12 per mensem. He proposes that their pay should be raised to Rs 10 a month with effect from the 1st December 1908 and has pointed out savings in the Education Budget from which the additional expenditure involved for the current year may be met.

Both the Councillors approve of the pay of these men being fixed at Rs 10-1-12 instead of at Rs 7-1-12. This may be sanctioned.

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 4150 Encls 1

Bangalore 24th November 1908

Con 140-08
SL-1

From

H. J. BHABHA, Esq. M.A.

Inspector General of Education in Mysore

To H. S. Chandra Sekhara Iyengar B.A., B.L.,
Secretary to the Govt. of Mysore,
The Maharaja of Mysore,
General Revenue Dept.
Bangalore.

SIR,

PN

With reference to Government Order No. 1098-9
Edn 303-07
dated the 27th August 1908 fixing the minimum
pay of School Masters at Rs 10/- a month, I have
the honour to state that there are at present 12
Deputy Gunastas in the Offices of the several
Deputy and Assistant Deputy Inspectors of
Schools who are in receipt of a pay of less than
Rs 10 a month. These Deputy Gunastas are
given a monthly salary of Rs 7 to start with and
their pay rises to Rs 12 with an annual in-
crement of one rupee. It thus takes five
years for these Gunastas to reach their maxi-
mum pay of Rs 12. Under these circumstances
I request that Government may be pleased
to extend the benefits of Order No. 1098-9
Edn 303-07
dated

dated 27th August 1908 to these Deputy Gymas-
tas almost all of whom have passed the Lower
Secondary Examination and know English, and
raise their pay to Rs 10/- a month, as in the
case of School Masters, with effect from 1st
December 1908. The additional charges re-
quired for this purpose during the current
year will be Rs 150 and may be met from
the provision of Rs 200 made in the current
year's Civil Budget for the tour charges of
the Assistant Deputy Inspector of Sanskrit
Schools and included in the sum of Rs 5,200
provided under head (3) Inspection - (6)
Tour charges - As there is no likelihood of
a Sanskrit Assistant Deputy Inspector being
employed during the current official year,
the provision for tour charges, viz Rs 200/-
will be fully saved at the end of the year.
The small increases of pay recommended
for the Deputy Gymastas will be of great
help to them in these days of scarcity of
food-stuffs and costliness of living.

A statement showing the names of the
12 Deputy Gymastas together with their
present and proposed pay is herewith sub-
mitted

I have the honour to be,

Sir,

Your most obedient servant,

H P Chhabha
